A reversal of the denial of this funding request is sought. I believe that the intent of the program is to make sure all eligible schools and libraries receive phone, internet access and internal networking equipment maintenance services as well as internal networking equipment. This school should not be penalized due to any delays in providing requested information which was beyond their control. I sincerely hope that this material will be reviewed and the application reviewed on the information previously provided.

Subject: RE: Information Request Community Partnership of Madera - 880246

Hello Katherine,

The Madera Main Office was omitted from the listing below. It is entity number 16054630. Also, Reedley Migrant Head Start had a name change in 2011. Its current name is Inez C. Rodriguez Migrant and Seasonal Head Start. Additionally, the Mendota Migrant Head Start is misspelled on your form.

Other than these omissions and corrections, the information is correct.

Thank you,

Donna Tooley
